

A RELIABLE STORY

'They reckoned not with the men,
into whose hand they delivered
the money.....for they dealt
faithfully.' 2 Kings 12 v 14

1. When we plan to have some repairs done to our h____, one of the first things to do is to get an estimate from the b____, of how much the work will cost.
2. Our text today is from the time that Solomon's T____ was being repaired. The building had been neglected for years, and now a lot of w____ had to be done.
3. Our text says that those in charge of the r____, didn't ask for an estimate, because they trusted that the b____ would do the best they could, and at the most economical pr____.
4. They had total confidence in them, that they would do the r____ thing. They knew that they were re____ men.
5. It is a wonderful things to be trusted, and regarded as a reliable p____.
6. Only what is reliable is really useful.
7. Reliable p____ always 'come out on top' in the end. Someone said, '*reliable people are like the cr____ on the milk....they always come out on t____.*'
8. Clever people, who are not at the same time reliable, are like rockets that go up with a gr____ show, but do not stay up for very long.
9. To be re____ is the only right way.
10. **Jesus Christ is our S____ and Friend.**
We can utterly rely on Him at all t____.
