

# What is God like?

The Bible tells us that God is a Spirit. This is not easy to think of, but one thing that is means is that God does not have a body like us.

Though God cannot be seen with our eyes, to help us to understand how good and great God is, the Bible often speaks of God as having bodily parts like us.

'The Lord hath made  
bare his holy arm,  
in the eyes  
of all the nations;  
and all the ends  
of the earth shall see  
the salvation of our God.'

Isaiah 52 v 9
