

# THE RIGHT KIND OF... TONGUE

1. Imagine someone gave you a sword. There would be 2 ways of using it. One way would be to destroy things with it; the other way would be to fight for what is right with it, and defend the weak and powerless.

*'A good sword and a trusty hand!  
A merry heart and true!  
King James' men shall understand  
What Cornish lads can do.'*

2. Though probably none of us have a sword, we all have a weapon that we can use for good or evil, to hurt or heal....it is our t\_\_\_\_\_.
3. Never think that what you say is a small thing- it counts for a lot.

4. In some ways, what you s\_\_\_ counts for more than what you d\_\_\_.

5. The right kind of tongue is .... a controlled tongue.

.... a tr\_\_\_ tongue.

a p\_\_\_ tongue

a k\_\_\_ tongue

and a be\_\_\_\_\_ tongue.

'KEEP THY TONGUE FROM EVIL, AND  
THY LIPS FROM SPEAKING GUILE.'
