

Animals of the Bible

The Hedgehog

1. The hedgehog gets the last part of its' name from the pig, or 'hog'. It has a sn___ like a pig, and lives in h____, so it is called the 'hedge-hog'.
2. Hedgehogs used to be hunted, and eaten by w____, but all the wolves in Britain have died out, and though the hedgehog is not st____, it has survived them all.
3. Christians are persecuted by spiritual wolves, but shall also survive them all.
4. People used to be paid to k___ hedgehogs because they said that hedgehogs steal e____, pull a____ off trees, and suck m___ from cows in the field. Hedgehogs do eat eggs, but are not g_____ of the other things.
5. People may accuse us of things that we do not do, but we must avoid all appearance of e_____.

6. Hedgehogs used to be e____ by gypsies, who baked them in cl___, and said they were very tasty!
7. Hedgehogs will eat almost anything that their teeth will cr____ - beetles and other in_____, worms, mice, even small sn____. We should also eat our dinner without making a fuss!
8. Hedgehogs are protected by their pr____. When an enemy comes, they roll themselves into a b___ - even the f___ cant get them when they do this. The Bible says '*Resist the devil and he will flee from you*' (James 4 v____)
9. Hedgehogs sleep/hibernate in the w_____ and awake in the s_____. This is a picture of the res_____.
10. Hedgehogs are not mentioned in the B____, except to say that some people believe the '*bittern*' in Isaiah 14 v 23, should read '*porcupine*' or '*hedgehog*'.
