1. There are many l\_\_\_\_\_ mentioned in the B\_\_\_\_\_
  - We read of them attacking sh\_\_\_\_\_ in 1 Samuel 17v34

2. There are 135 references to lions in the O\_\_ T\_\_\_\_\_, but none in the G\_\_\_\_\_ and A\_\_\_\_\_, and only 2 literal lions are mentioned in the N\_\_ T\_\_\_\_\_. This suggests that by this time, lions had died out in Palestine.
3. S\_\_\_\_\_ is described as a 'roaring lion', but John B\_\_\_\_\_ in P\_\_\_\_\_ P\_\_\_\_\_ reminds us that he is on a ch\_\_\_\_\_.
4. Proverbs 28 v 1 says 'The r\_\_\_\_\_ are as bold as a lion'.

  - He is very strong
  - He loves his people as the lion loves its cubs
  - He is fierce against evil
  - It is said that the blood of a lion can cure wounds...but it is certain that the blood of Christ cures the wound of sin.
