

# TREASURES ON THE DEEP

## 3. The Treasure in the Book

1. In the days of George III, a ship was sent out into the S\_\_\_\_ S\_\_\_\_ to explore the area around the Island of Tahiti. The ship was called 'The B\_\_\_\_', and its captain was Captain Bligh.
2. The expedition took 18 months and was very successful, and the ship began its long voyage home.
3. But the crew were in angry mood, because Captain B\_\_\_\_ had treated them badly and hardly given them enough f\_\_\_\_ to eat.
4. Some men, under their leader, Fl\_\_\_\_ C\_\_\_\_\_, decided to escape from the ship in the middle of the n\_\_\_\_, in the ship's b\_\_\_\_. However, they changed their minds and decided to mutiny.
5. They put the c\_\_\_\_ and some of his supporters in the ship's b\_\_\_\_, and captured the ship. The little boat had to travel 3,600 miles to reach safety, but they managed to do so.
6. The mutineers returned to Tahiti where they took on board 6 native m\_\_\_\_, 10 w\_\_\_\_ and a child. Some of the crew of the Bounty stayed in T\_\_\_\_, but were later captured and hanged.
7. The rest sailed on to P\_\_\_\_ I\_\_\_\_ where they landed. After a short time there was m\_\_\_\_ and dr\_\_\_\_ness, and all manner of sin broke out.
8. Two men, Alexander Sm\_\_\_\_ and Edward Y\_\_\_\_ found the ship's B\_\_\_\_. They were converted by reading it, and the Island was completely transformed.

'The entrance  
of thy words  
giveth light'.
