

# DEW

## THE ELEMENTS: 2

1. On hot days water vapour is lifted up into the air; at night when the air cools, the water returns as d\_\_\_\_.
2. Usually, the warmer the d\_\_\_\_, the more d\_\_\_\_ falls at night.
3. The dew falls s\_\_\_\_\_ and h\_\_\_\_\_.

What does 2 Sam 22 v 36 and Psalm 18 v 35 say about dew?

4. God's g\_\_\_\_\_ works silently in the heart.
5. As the dew falls g\_\_\_\_\_, God's grace works g\_\_\_\_\_ in the heart.
7. God's grace like the dew, r\_\_\_\_\_ our hearts.
8. God's grace like the dew, is p\_\_\_\_\_.
9. God's grace like the dew is f\_\_\_\_\_.
10. As the dew causes the p\_\_\_\_\_ to grow, God's grace causes our f\_\_\_\_\_ to grow.
11. Just as we cannot stop the dew from f\_\_\_\_\_, so we cannot stop the power of God's Word.
12. What does Isa 55 v 11 say about this?
