1. There were many f\_\_\_\_\_ in the Land of Israel in Bible Times. They lived in h\_\_\_\_\_, around old r\_\_\_\_\_, and on the edge of f\_\_\_\_\_.
2. So it was very easy for S\_\_\_\_\_ to catch, or others to catch 300 foxes. (*Judges 15v4*)
3. Can you remember the morals of the 3 fables? :
  - Never stand t\_\_\_\_\_, when there is w\_\_\_\_\_ to be done
  - Be careful how you take a\_\_\_\_\_ from people you do not know
  - Beware of the fl\_\_\_\_\_
4. The fox is cr\_\_\_\_\_ but it is often caught (*Job 5 v 12-13*)
5. The damage that Samson's foxes did with their t\_\_\_\_\_ tied together, is a good example of the damage caused by crafty people.
6. The fox is a nocturnal creature. The Bible says that wicked men love d\_\_\_\_\_ because their deeds are e\_\_\_\_\_. (*John 3 v 19*)
7. As the fox is despised, so craft and cunning people are despised.

It was said of our Lord 'The foxes have holes,  
and the birds of the air have nests,  
but the Son of Man hath not where  
to lay his head.'
